NOTICE OF INDEPENDENT REVIEW DECISION

RE: MDR Tracking #: M2-03-1801-01

___ has been certified by the Texas Department of Insurance (TDI) as an independent review organization (IRO). ___' IRO Certificate Number is 5348. Texas Worker's Compensation Commission (TWCC) Rule §133.308 allows for a claimant or provider to request an independent review of a Carrier's adverse medical necessity determination. TWCC assigned the above-reference case to ___ for independent review in accordance with this Rule.

___ has performed an independent review of the proposed care to determine whether or not the adverse determination was appropriate. Relevant medical records, documentation provided by the parties referenced above and other documentation and written information submitted regarding this appeal was reviewed during the performance of this independent review.

This case was reviewed by a practicing physician on the ___ external review panel. The reviewer has met the requirements for the ADL of TWCC or has been approved as an exception to the ADL requirement. This physician is board certified in neurology. The ___ physician reviewer signed a statement certifying that no known conflicts of interest exist between this physician and any of the treating physicians or providers or any of the physicians or providers who reviewed this case for a determination prior to the referral to ___ for independent review. In addition, the ___ physician reviewer certified that the review was performed without bias for or against any party in this case.

Clinical History

This case concerns a 34 year-old female who sustained a work related injury on ___. The patient reported while at work she was hit on the head. The patient reported that she experienced pain in her head, neck and down into her back. The patient has undergone X-Rays. The patient has been diagnosed with thoracic disc degeneration and shoulder region DisNec. The patient has been treated with physical therapy, pain medications, injections and an RS4i muscle stimulator.

Requested Services

Purchase of an interferential muscle stimulator.

Decision

The Carrier's denial of authorization for the requested services is upheld.

Rationale/Basis for Decision

The ___ physician reviewer noted that this case concerns a 34 year-old female who sustained a work related injury to her head, neck and back on ___. The ___ physician reviewer also noted that treatment for this patient's condition has included physical therapy, pain medications, epidural steroid injections, and an RS4i muscle stimulator. The ___ physician reviewer explained that the long-term efficacy of an interferential muscle stimulator has not been proven. Therefore, the ___ physician consultant concluded that the requested purchase of an interferential muscle stimulator is not medically necessary to treat this patient's condition at this time.

This decision is deemed to be a TWCC Decision and Order.
